**Tattoo-Maker****Vacancy:**

We are looking for advertising specialists.

**Company and job description:**

We create artistic henna tattoos on hands, arms and – if desired – on faces. Small, medium and large designs available.

**Applicant requirements:**

While we are working on the tattoos we can't talk to potential customers and entice them to our studio, so we are looking for someone to:

- distribute leaflets,
- persuade customers to come to our studio,
- inform and advise customers about henna tattoos (you will be trained in this aspect by the boss herself).
