Hair & Face

Vacancy:

We are looking for hairdressers and make-up artists.

Company and job description:

We style hair with braids or curls (using tongs). We also style faces with face glitter.

Applicant requirements:

- You must be able to use tongs or straighteners.
- Also able to work well with hair and ideally be able to do different types of braiding.
- If you are interested in face glitter you should already be skilled in applying make-up.
